## A MESSAGE FROM SUPERVISOR BOSWORTH

In the Town of North Hempstead we like to call the months between May and August, our "Summer of Fun!" After a long and snowy winter, we are eager to showcase our beautiful parks and beaches and invite you to take a dip in one of our

many pools. In the early summer, we have festivals almost weekly at our Town Parks, including our celebration of cultural diversity at the Asian-American Festival, and our tribute to our fallen heroes at the very popular Memorial Day Fireworks Extravaganza. Later in the season, we will have our full lineup of summer concerts which we will highlight next month. Until then, enjoy the early summer!

Warm Regards,

*Judi Bosworth*

## 6TH ANNUAL ASIAN-AMERICAN FESTIVAL

The ethnic diversity of the Town of North Hempstead is part of what makes our Town one of the greatest places to live on Long Island. Each May, thousands come out to celebrate this at the Asian-American Festival, a beach-front gala that showcases the arts and crafts, cuisine and shopping unique to China, India, Japan, Korea and Pakistan.

## FESTIVALS GALORE IN THE TOWN!

The Town is partnering with local organizations for these fun-filled community events this summer:

### 25th HarborFest Dock Day and Craft Festival

Sunday, June 7th at 10 a.m.

Town Dock, Port Washington

This partnership between the Town and the Port Washington Chamber of Commerce features over 100 arts and crafts vendors, cruises, tours of Manhasset Bay, art exhibits, a food court, FREE kayaking, rides on the trolley sponsored by the Port Washington Business Improvement District (BID) and more fun for the whole family!

### PortFest Music, Arts and Community Festival

Saturday, May 16 at 11 a.m.

Schreiber H.S., Port Washington

A collaboration of the Town, the Business and Tourism Development Corp. and HEARTS of Port Washington, this 4th Annual event includes live music and dancing and diverse family-friendly activities.

## WATER CONSERVATION TIP

Be eco-friendly while watering your lawn. Your sprinkler system should be checked frequently to ensure only your lawn is being watered and not the house, sidewalk or street. It is important to know how to shut off your automatic watering system in case of malfunctions or rain. Better yet, use a rain sensor that automatically shuts off your system.
